

PROJECT NAME

Project submitted to the
SRM University – AP, Andhra Pradesh
for the partial fulfillment in course Digital Electronics CSE 207 of the requirements to
award the degree of

Bachelor of Technology

In

**Computer Science and Engineering
School of Engineering and Sciences**

Submitted by

NAME1 (ROLL NUMBER)

NAME2 (ROLL NUMBER)

NAME3 (ROLL NUMBER)

Under the Guidance of

Dr. Saswat Kumar Ram

Assistant Professor Department of ECE

SRM University–AP

Neerukonda, Mangalagiri, Guntur

Andhra Pradesh – 522 240

Certificate

Date: xx-11-2025

This is to certify that the work present in this Project entitled entitled “Joint Optimization for Improving Intelligent Reflecting Surface Aided Vehicular Communication” has been carried out by **NAMES** under my/our supervision. The work is genuine, original, and suitable for submission to the SRM University – AP for the award of Bachelor of Technology in the **School of Engineering and Sciences**.

Supervisor

(Signature)

Dr. Saswat Kumar Ram

Assistant Professor

ECE SRM University AP

Acknowledgements

We would like to thank Dr. Saswat Kumar Ram, for his support and guidance throughout this project, and for making us work efficiently on the research topic by providing a good path on the research topic. Without his help, we would not be able to proceed with the project for good results.
